

# Who I AM

## Background

"I am a woman, who was taught by women, to take care of women. My entire training experience has allowed for the development of my extensive knowledge on the matters that affect women, teens and girls.

During my subspecialty fellowship training, I was extremely lucky enough to have been trained by world renowned clinicians, surgeons and researchers in the surgical and non-surgical management of all pelvic floor disorders"

## Goals

"I am completely dedicated to forming partnerships with each and every one of my patients, and I am extremely passionate about working together as a unit in order to facilitate the best patient education including personalized, well-rounded care."

### What is my satisfaction rate?

„My experience being treated by Dr. Dune was unequivocally the best experience I've had with any doctor in my entire life. And that's saying a lot considering the list of doctors I've sought for treatments is pages long.”  
Yassmin

„Dr. Dune is amazing; incredibly attentive, very knowledgeable and professional, uncommonly invested in her patients...I don't have enough good words.”  
Teresa Y.

„Dr. Dune was an absolute pleasure to meet. She took her time and answered all my questions. She was professional, compassionate and she also has a sense of humor. I Highly recommend her!”  
Tihesha C.
